

MURRAY FUN DAYS PARADE

Murray Fun Days is organized to provide an opportunity for individuals, families, and community to be together as they enjoy a day of fun activities while celebrating Independence Day. Murray City encourages parade entries that feature **creative, entertaining elements appropriate for the entire family**, including **entries that focus on a patriotic theme**.

The following guidelines are offered to ensure an enjoyable and safe experience for those in your entry, as well as the public. Your cooperation is essential so please take time to read and share this information with those who will be participating. If necessary, your entry can be removed from the parade or not considered during the application process.

The Murray Fun Days Parade starts at 6100 South State, travels north on State Street to Vine Street, east on Vine Street to the east entrance to Murray City Park. The Parade ends at the southwest area of Murray Park where you can exit onto 5300 South (eastbound). Details concerning the parade lineup, numbers, where to assemble and other parade information will be sent out prior to the parade to the sponsors' primary contact as noted on the Parade Entry Form. **The Murray Fun Days Parade Committee reserves the right to place parade entries in any order they deem necessary and to limit the overall number of parade entries.**

Parade Rules and Guidelines

- If your entry has a routine to perform (dance, cheerleading, school groups and clubs), please make sure it is designed for **constant forward movement** of the parade. **No stopping or holding up traffic will be permitted.** Marching bands are encouraged to enter and will be paid according to the number of participants and/or professional level of the group.
- **Distribution of candy is discouraged.** However, if you choose to distribute candy, we encourage you to have someone walk next to your entry and hand it out. Please do not throw it from a moving vehicle. This is to protect the safety of children who may step in front of or under the vehicle to pick-up the candy.
- Please do not bring or hand out **printed material**. Printed material is usually discarded by the public and creates litter that must be picked up by City staff and volunteers.
- Please do not **spray or throw water** along the parade route. Water is not appreciated by many in the audience.
- Please display the American flag in an appropriate manner.
- Please provide a detailed description, including photos if possible, of your entry.
